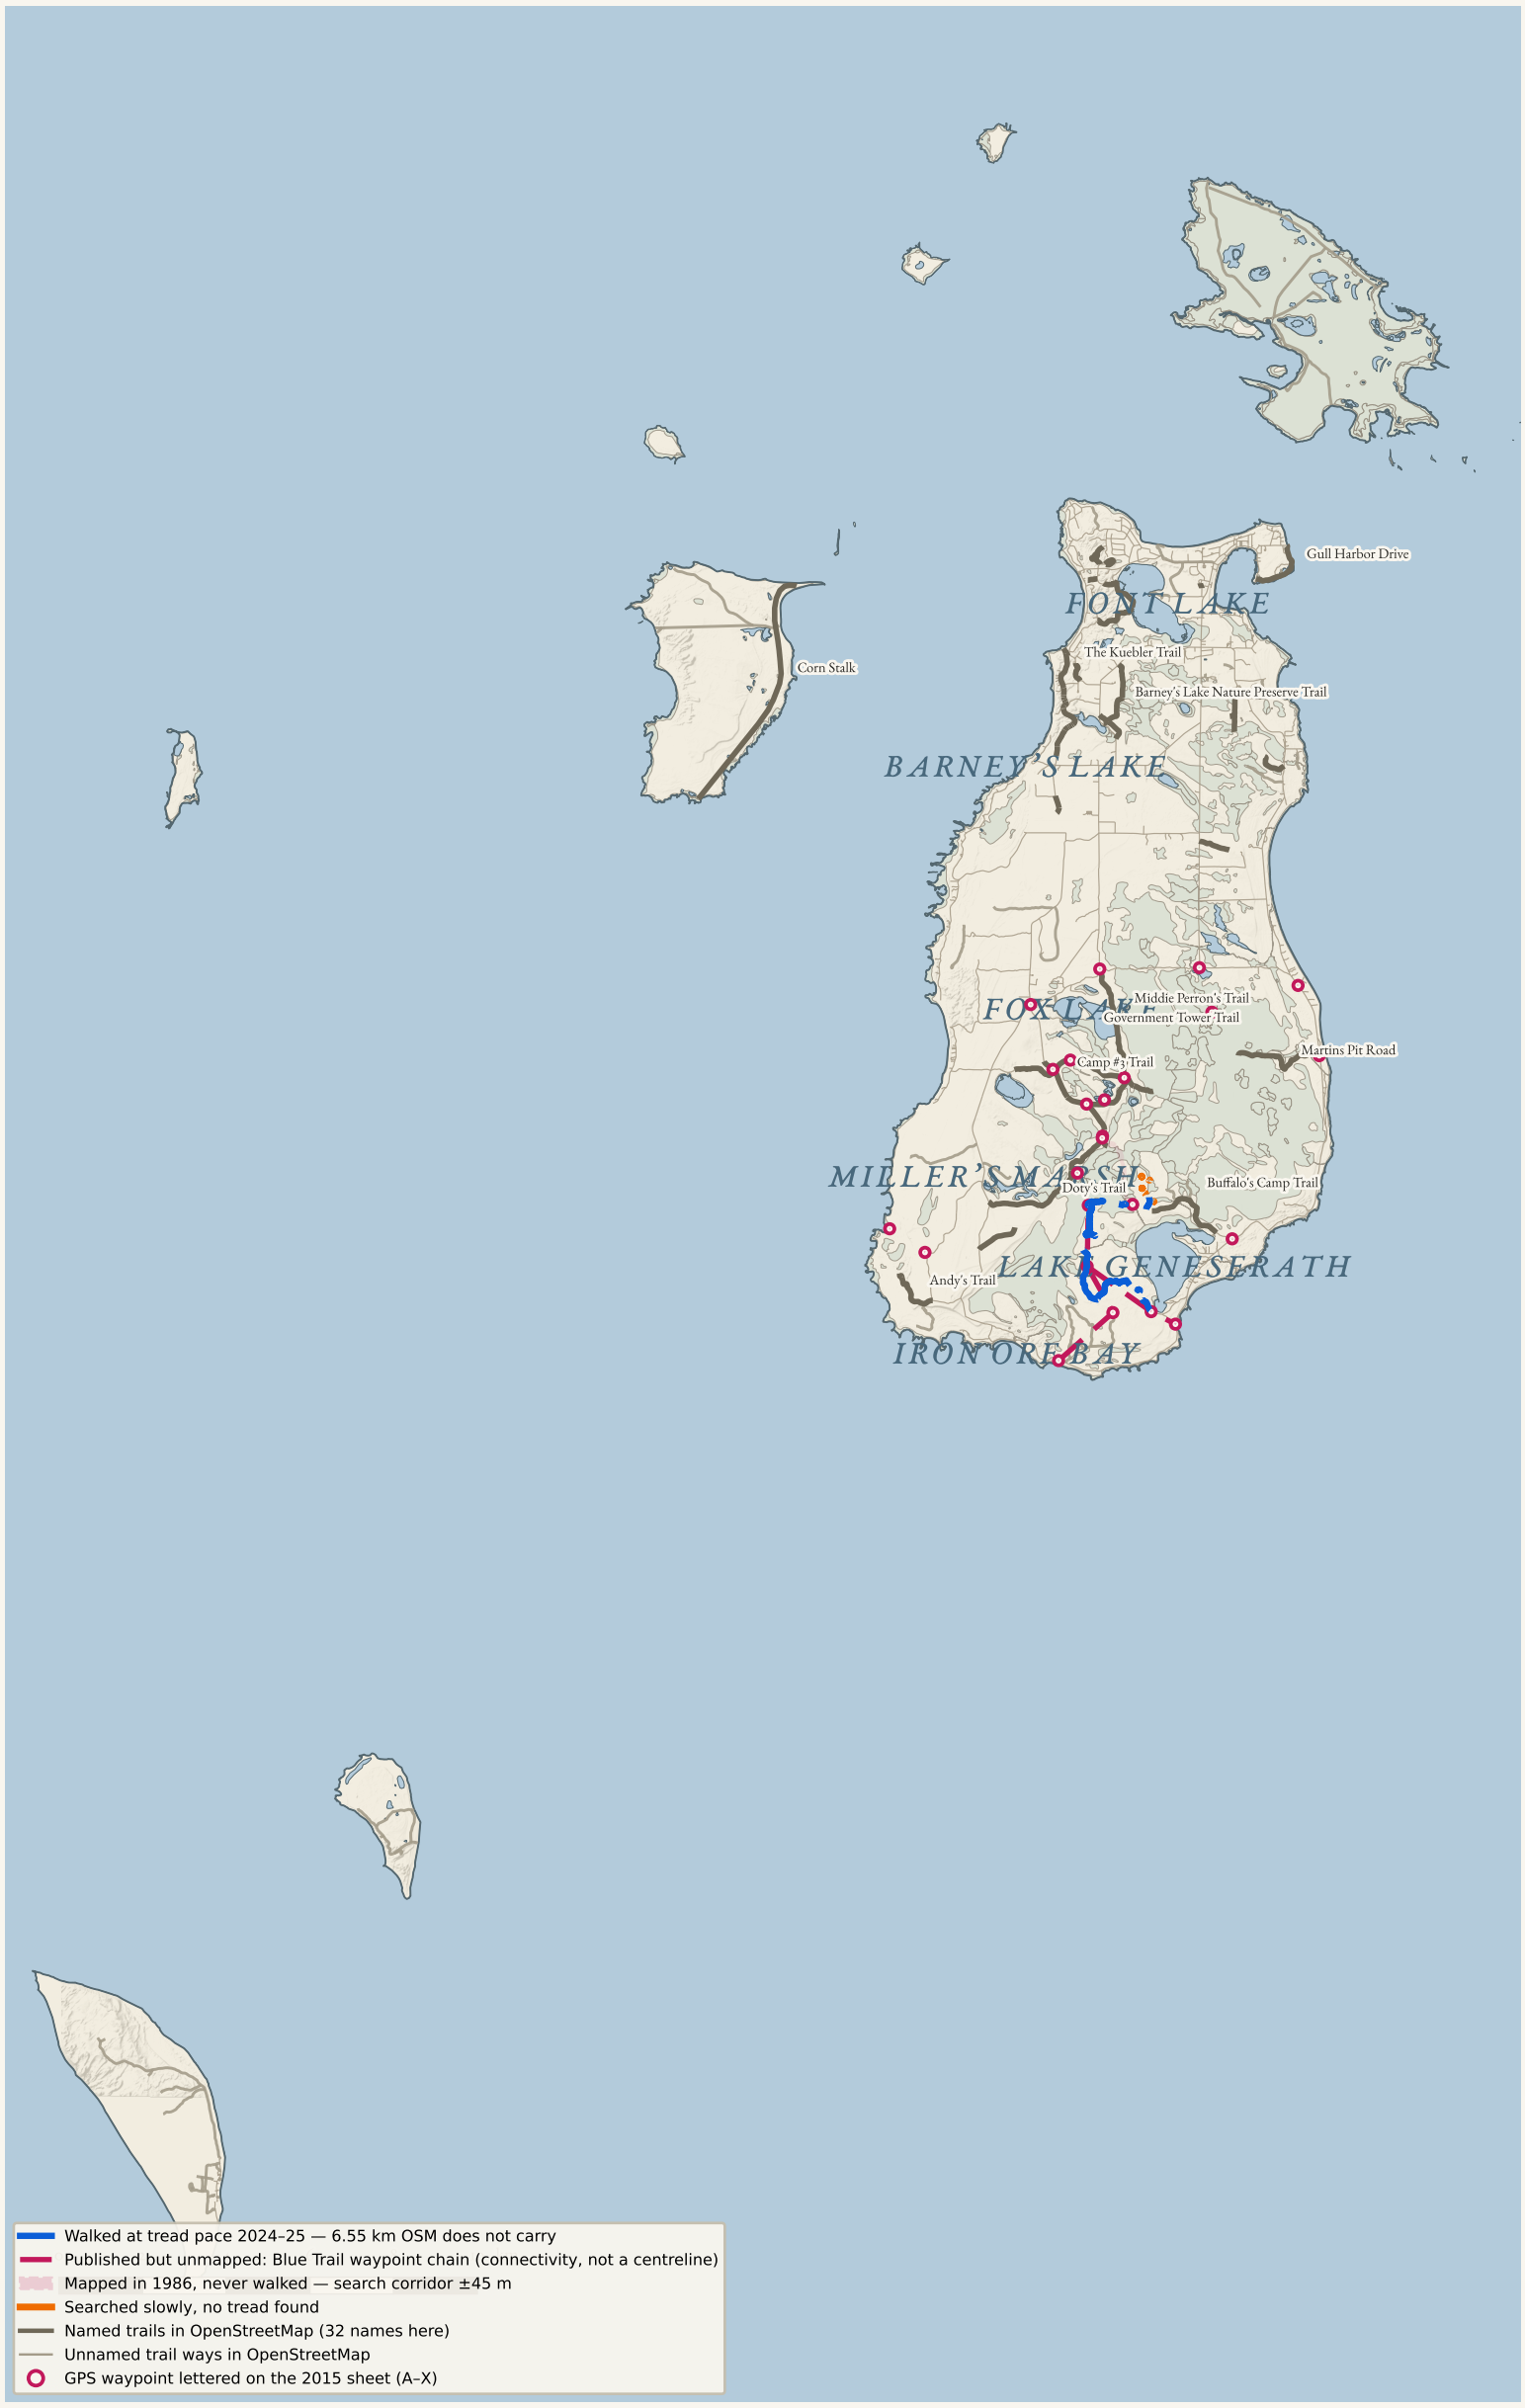
THE BEAVER ISLAND ARCHIPELAGO · THE TRAILS

every trail-bearing island — 43.7 of the 101.7 km are not on Big Beaver



OpenStreetMap carries 101.7 km of trail here across 139 ways. The township and the Beaver Island Trail Association publish sheets for routes it has no geometry for at all — Blue Trail (West Lake Trail), 7 Bridges / Hannigan's to Wagner. Walked GPS exists only at the south end.

The trail meanders around wetland: a mapped line and a walked track can differ by tens of metres with neither being wrong. Not for navigation.
